

DISCIPLES INDEED

Jesus said, “...If ye continue in my word, then are ye my disciples indeed;”
(John 8:31)

In “Christian Bookstores” there are many books that deal with the topic of discipleship. Many seem to be based on the concept that once a man is saved, being a disciple is no real problem. However, the best instruction manual is, of course, the Word of God. There, we are told that many different types of disciples exist. Some good and some bad and some are just middle-of-the-road. But Jesus spoke of a category of disciples that every child of God should strive to reach. He called this group “Disciples Indeed”.

I hope you will enjoy this study and that it will enrich your personal life for Christ. I also pray that it will benefit All The King’s Men of your church to lead out in principles of Christian discipleship. These lessons are by no means exhaustive but they do cover some important issues that deserve your attention. If you serve as a Discussion Leader, you should note the "section icons" that will help guide you and your group through this Bible Study. Allow the men to interact and express opinions.
